Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 20, 1996

SUBJECT: **SB 2395 - HB 2631**

This bill, if enacted, will require notification of certain personnel transactions by the Departments of Personnel and Finance and Administration to the Speaker of the House of Representatives, Speaker of the Senate, and the fiscal review committee and upon request to any member of the general assembly. This report shall include employee transfers, dismissals, terminations, demotions, separations, and position abolishments by department, titles and official addresses of the employees affected and the employees' positions subsequent to such actions.

The fiscal impact, if enacted, is estimated to result in a increase in state expenditures to produce the report; however such increase cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
